## Lease Purchase Financing Request for Proposals

### Solicitation 2012-AS-02

### Addendum One

The following changes have been authorized for the above referenced solicitation:

- |          |   |
|----------|---|
| Item One | Removal of the Certificate of Insurability (page 13) from the document. As the financing is for assets that the City will own, there is no need for the Offeror to provide insurance. |
| Item Two | Addition of \$60,000 for computer servers and infrastructure to Section 3.1. This addition will increase the Total Financing Requested to \$601,035.                                  |
